

## Lead Carpenter Impact Description

Green Hammer is seeking a Lead Carpenter to join our creative and collaborative team of architects and builders. We are a Certified B-Corporation and a leading sustainable design build firm in Portland, Oregon. Our mission is to inspire the evolution of our living environment by creating buildings that promote health and protect the planet. We utilize our Unified Design-Build Process and inclusive, collaborative culture, to develop high-performance and highly sustainable residential, commercial, and multi-family projects. We are one of 27 firms in the United States currently meeting the AIA's 2030 Commitment to battle climate change.

### Ideal Qualifications

You are inspired by Green Hammer's mission. You understand the power of collaboration and see working within a multi-disciplinary team (architects, builders, and trade partners) as the most effective way to design and build highly sustainable buildings. You are an experienced carpenter with the ability to coordinate the flow of work through the job site and ensure all staff and subcontractor work meets Green Hammer quality standards. You are capable of setting and communicating daily production goals, anticipating potential issues, raising issues with the Superintendent, and proactively solving production problems as they arise while engaging the project team.

### Key Qualifications:

- Communicates effectively.
- Willingness to work as part of a collaborative team.
- Demonstrates leadership.
- Has reliable transportation.
- Ability to lift 50 pounds, climb ladders, and perform physical work daily.
- Minimum 5-10 years' experience in carpentry or a similar field.
- A commitment to justice, equity, diversity, and inclusion.

This is a full-time position with a competitive salary and benefits package. Green Hammer is interested in a long-term relationship with every team member.

Green Hammer is an equal opportunity employer. Our mission is to inspire the evolution of our living environment by creating buildings that promote health and protect the planet. We envision a future where all buildings support the health of communities and a thriving natural world. Reaching this vision requires an ongoing commitment to advancing social justice, equity, diversity, and inclusion (JEDI) within our organization and our communities.
